EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Gehris on August 18, 2004.

2. The application has been amended as follows:

Claims 17, 19 and 20 have been canceled in order to put the application into condition for allowance.

3. The following is an examiner's statement of reasons for allowance: As argued by applicant, the prior art does not teach or render obvious a method and device for combining folios as claimed, particularly including storing first and second folios, cut from a third web, in a stacked relationship on a precollect cylinder and transferring the stacked folios simultaneously from the cylinder to a position between first and second webs.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
